

Great Careers at Pureform and PureKids Radiology

We're a boutique radiologist-owned provider of diagnostic imaging services in the Calgary community. We provide a full-range of diagnostic imaging services with distinct competencies in Women's Health and Pediatrics. As a passionate group of radiologists, technologists and medical assistants we provide a personal touch in a friendly, respectful, and professional environment. More information can be found at MyPureform.com.

Working at Pureform and PureKids Radiology you can expect:

- Competitive Alberta Wages
- Comprehensive Company Paid Benefits
- Generous Paid Vacation
- Flex Days
- RRSP Matching
- Educational Assistance
- Professional Dues Allowance
- In-clinic Massage
- Free Snacks and Beverages
- Fully Digital Modalities
- And more!

Note: Casual positions may not be eligible for all of the above

Hiring: Full-time, Part-Time, and Casual Sonographers

Pureform and PureKids Sonographers are responsible for delivering exceptional care to all of our patients in a respectful, compassionate, and welcoming environment. As a Pureform and PureKids Sonographer you will independently perform and communicate the results of diagnostic examinations to the Radiologists. A successful candidate maintains the highest level of medical ethics at all times and is driven to continually improve their level of understanding and knowledge in this field.

We are seeking full-time, part-time, and casual applicants at all three of our Calgary and Area clinics.

Qualifications:

- Graduate of a recognized formal Diagnostic Medical Sonography Program
- Ability to perform a wide range of sonographic exams
- Active certification and member in good standing with Canadian Society of Diagnostic Medical Sonographers (CSDMS)
- Active certification and good standing with Canadian Association of Registered Diagnostic Ultrasound Professionals (CARDUP)
- Ability to work in a collaborative team environment
- Exceptional problem solving and communication skills
- Competency with Windows-based computer programs
- Vascular, MSK, and Pediatric experience is an asset.
